

# Voco Restorative Savings from BF Mulholland

Offers available until 28<sup>th</sup> February 2021

## Admira Fusion

Universal nano-hybrid ORMOCER® restorative material.

### Advantages

- The worldwide first purely ceramic-based restorative material.
- By far the lowest polymerisation shrinkage and particularly low level of shrinkage stress in comparison to all conventional restorative composites.
- Inert, so excellent biocompatible and extremely resistant to discolouration.
- Excellent handling, simple high-lustre polishing procedure coupled with high surface hardness guarantee first-class long-term results.
- Compatible with all conventional bonding agents.
