Filtek™ Supreme Flowable Restorative

Filtek Supreme Flowable Restorative is available in an ergonomic syringe designed for improved comfort and easier injection.

Advantages:

- Virtually no bubbles or material “run-on”.
- Easy-to-bend cannula for improved access.
- Ergonomic design is easy to hold and inject.
- Excellent adaptation, polish retention and wear resistance.
- Versatile for a wide range of indications and techniques.

Syringe refill include: 2 x 2g syringes & 20 dispensing tips
Shades: A1, A2, A3, A3.5, A4, Opaque A3, B1, B2, C2, D2, W & XW.

Syringe: **£57.37/€65.98**

Filtek™ Z250 Universal Restorative

Filtek™ Z250 Universal Restorative has been used in over a million restorations worldwide. Based on reliable hybrid technology it is ideally suited for convenient single-shade restorations in the anterior and especially in the posterior region.

The Filtek™ Z250 universal restorative was rated an “excellent choice for durable, aesthetic restorations in anterior and posterior teeth”. Long-term clinical experience. Easily sculptable and virtually non-sticky. Patented zirconium/silica filler for contrast rich radiopacity without heavy metal additives.
