Sof-Lex™ Contouring and Polishing Discs

Sof-Lex™ Finishing and Polishing System is a color-coded, sequential system of discs, strips and easy-to-use mandrels. Flexible polishing discs with aluminium oxide coating with four different abrasive grades (coarse to superfine) and two disc thicknesses (normal and extra thin). Sof-Lex™ continues to provide unparalleled, efficiently achieved results.

Suggested Applications

- Polishing off composite, compomer, metal and ceramic.
- Facial and lingual margins of anterior and posterior restorations.
